

## Thank you, Pet Peeves for helping to give MAYA a second chance!

### Maya

**Maya** is a very sweet, happy and affectionate Golden Retriever/ Chow Chow mix. She is spayed, fully vaccinated and healthy. Maya is looking for a family who will take her for walks, play ball with her and consider her a family member. She is good with children, other dogs and enjoys meeting new people. Maya, and her brother Michael, were found lost from their family around JFK Airport where a concerned animal lover intervened.

If you can give Maya a permanent loving home, contact Eden Sargent at Animal Rescue Fund of the Hamptons: (631) 537-0400 Ext: 203.

Dear Editor:

We hope that you will consider using our camera-ready vignettes when you have space available. With your help, and the help of your readers, we can make a difference for these deserving animals. Periodically, we will issue a new story about one of the numerous animals helped through a grant by Pet Peeves, Inc., "the voice for Long Island pets," to a local rescue group or no-kill shelter. Pet Peeves is the umbrella organization that raises funds so that those volunteers who are out there rescuing, spaying, and caring for these animals, can continue their efforts.

Pet Peeves, Inc. is a 501(c) 3 organization, completely driven by volunteers. Donations are tax deductible to the highest extent of the law.

Thank you in advance for your kind support!
